

## Publish your FOR-SALE, WANTED or FOR-RENT announcements in Real Time

Follow this procedure to publish now your Ads in RidesZone.

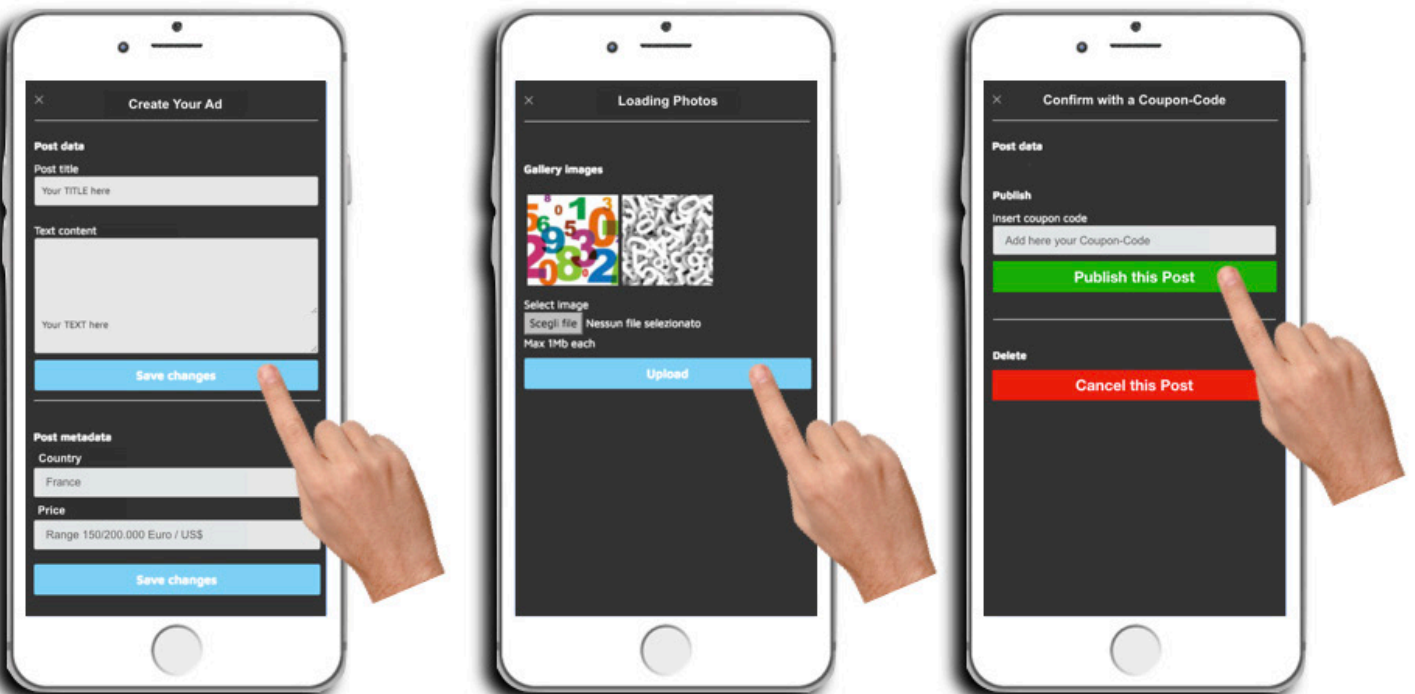

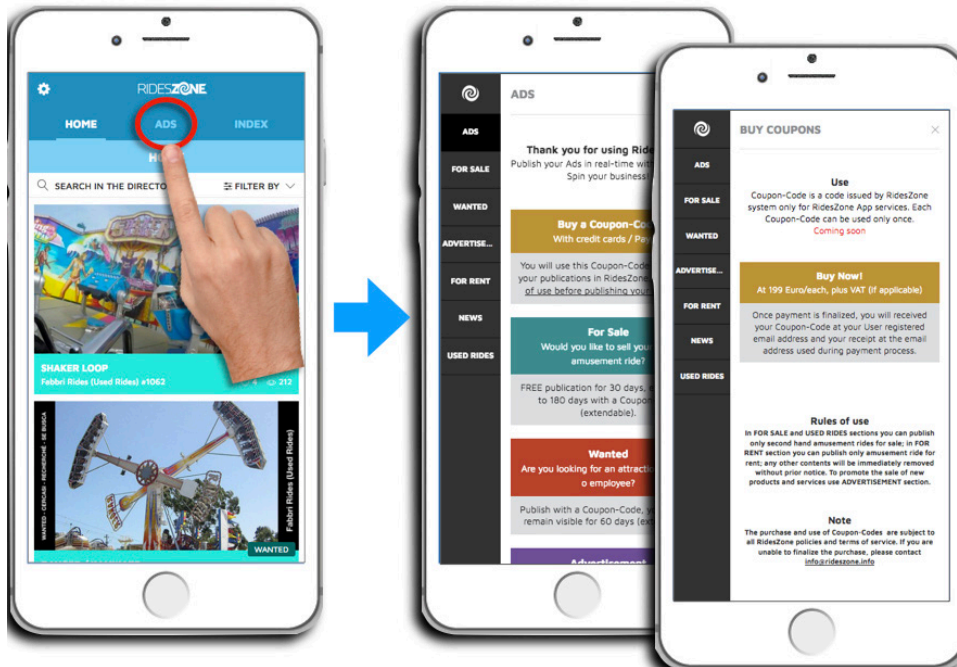

- Enter in ADS from the Home page
- Select the Ad you need from the list and follow instructions

You can upload your content from your smartphone (iPhone or Android).

To finalize the procedure you may need to get a valid **Coupon-Code**, depending on the type of Ad.

Buy the Coupon-Code in the APP with Paypal electronic payment or buy it directly from RidesZone.

**NOTE:** The following procedure depends on your phone software update and free memory availability.

Enter the **Title** and the **Text**, then click on **Save Changes**.

Enter the the **Price** of your attraction and the **Country**, then click on **Save Changes**.

Upload the **Cover pictures** and the **Gallery pictures**, then click on **Upload** for each one.

**MAX Size** for each photo is **3 MB**.

In case of oversize, use photos received by Whatsapp.

To delete a photo just click on the photo.

Add a valid Coupon-Code (if required) and click on **Publish**. This will publish your Ad post in real time.

You can Cancel your post at any time.

Enter another Coupon-Code to extend the publication when required.
